

PRINCIPLES, PASSION, & PURPOSE

Founded in 2002 as a faith-based non-profit organization

Senior Elite Program + Cotillion

Schedule for
High School Juniors and Seniors

2021-2022 Schedule
To be announced soon!

\$25 to Register

We are hopeful to bring our program back in person this school year. This is dependent on the ongoing pandemic situation in our area. An additional fee will be collected for retreats and the Cotillion Graduation Program once we are able to host in-person events.

EWOEs programming provide numerous opportunities for parents to attend and participate in the workshops, activities, and events.

Along with their submitted application, Cotillion participants are required to submit a letter of recommendation as well as submit an official high school transcript. Participants are required to be a high school female student in good standing in their high school program and hold at least a 2.5 GPA.
