Elite Women of Excellence (EWOE) provides community support and group mentoring opportunities for middle and high school girls that increases their potential to experience parent engagement, moral support, increased personal esteem, confidence and awareness. Adolescent girls enrolled in the EWOE mentoring program enhance and strengthen their ability to make choices that are positive, and consistent with their passion, potential, and interest.

EWOEs programming provide numerous opportunities for parents to attend and participate in the workshops, activities, and events.
